LODGE VICE CHIEF OF ADMINISTRATION REPORT

April Update

Bob White Lodge,

Over the summer we have been working on improving our lodges admin program. We have been working on conducting surveys for our Lodge events so that we can get your input on how the event went and how we can improve. We have also been getting some advertisements for some upcoming events. We are also getting ready for the Lodge awards by making awards nominations from and getting the awards team ready. We are very happy with the number of new arrowman that have joined our great order. Before the end of the year, we will have some posts for Instagram that will show all of the great merchandise we have for sale in our trading post. We are also going to get our newsletters to be complete digital booklets. We will keep pushing for making this the best year.

Yours in Cheerful Service,

Wyatt Muckinhaupt

Vice chief of administration

2023 E7 Administration coordinator
