CAMPOREE

We hosted our annual camporee Race for the Golden Quail on March 3-4, 2023, at Robert E. Knox Scout Reservation. This year we had 10 Troops participate

in this event. We hosted 19 activities for 119 Scouts and 37 Scouters to compete in. Scouts progressed in navigation challenges by cycling and running; a First Aid challenge testing skills; a campsite challenge with tents, rain flies and fire building; and an Archery challenge testing skills with different bows at varying distances and targets.

They tested their skills tying a total of 309 knots from hitches to Lashings culminating in the Chariot Race. Scouts competed in rifle team competitions and a final tic-tac-toe event where one Scout from each Patrol competed in a single elimination style competition. This event is a big highlight for Scouts in the Council, and a big way the Lodge has provided service to the Council.

SPRING FELLOWSHIP

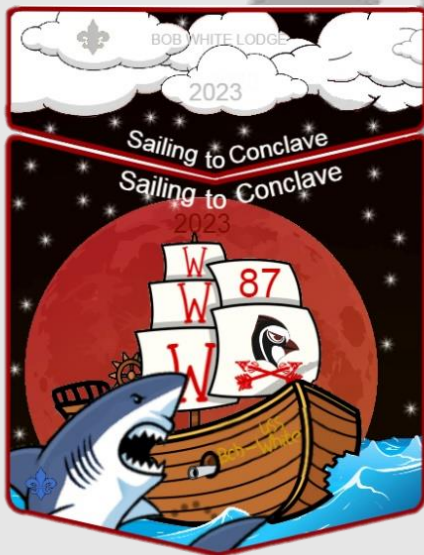

This Spring Fellowship we had 114 scouters attend, as we welcomed 24 new members and had 19 members seal their membership. We had a great turn out for fellowship helping with re-doing a ramp on the back of the Sewell Center, painting the new Trading Post, installing trail trash bins, building a new Dining hall field fence, restructuring the disc golf course, and creating challenge cubes. Our brotherhood members helped with making a new sign for camp to be used as a picture spot as one enters Camp Knox. This weekend was a huge success; we had a great turn out and we can't wait for the next fellowship.

E-7 CORNERSTONE CONCLAVE

The E-7 Cornerstone Conclave is held every year in the Spring at one of the 9 Host Lodge Camps within our Section. This year the Conclave will be held at Camp Ho Non Wah in Wadmalaw Island, SC from 21 to 23 April 2023. Members from our Lodge will compete in Ceremonies, Quest Games, woodcarving, administration, and American Indian dance competitions. Our theme this year is Pirates. Our slogan is “Sailing to Conclave”.

MERCHANDISE

Bob White Lodge merchandise is available through the Georgia-Carolina Council Adventure Center (GCCAC). At the GCCNAC you will find the current Lodge flap, the R-3 dangle, recent event patch sets and Lodge T-shirts. Look for more items coming soon.

LODGE CHIEFS REPORT

April Update

Bob White Lodge,

We have accomplished so many incredible things already, and it is only April. We have over half a year to go! We already have over 240 members in our prestigious lodge, and we are projected for over 300 members by the end of the year. Incredible things are happening this year, as we celebrate 87 years of cheerful service as Lodge 87. We had a great start to our year by hosting the Spring Camporee (Race for the Golden Quail) which ran extremely well and was a huge hit. Cub Scouts have also been working hard recently to earn the outstanding Cub Scout Camping Award that we offer to our Council's Cub Scout program. Within the up and coming months, the Lodge has many plans for all of its members. We hope to get new members involved and have a larger presence at our Chapter meetings and other OA events. In addition, as we transition into the summer and fall, more opportunities will be available for members to earn their exclusive 87 Year Anniversary patches. I look forward to all of the great things that are coming up for our Lodge. The first step starts with the involvement of you and your fellow Arrowmen!

Yours in dedicated service,

Leland Green
