LETTER FROM THE CHIEF

Greetings, my Brothers!

My name is Leland Green and it is my honor to serve as your Lodge Chief for the Bob White Lodge in 2023. As we plan to welcome many new brothers and reach monumental goals for the Lodge, the Lodge Executive Committee has many great plans for 2023! We are excited about preparing for the 2023 Cornerstone Conclave. The future shines brightly for us all as we continue to give back to our Council's numerous scouting programs. Let us all reach to attain our new goals in membership, retention, participation, and fellowship!

87, a number that means little to many, but is a strong foundation for the Bob White Lodge. Not only are we Lodge 87, but 2023 mark our 87th anniversary of cheerful service. For 87 years, the Bob White Lodge has been dedicated to the principles of Brotherhood, Cheerfulness, and Service. Our members have worked tirelessly to make a positive impact in our communities and in the lives of those around us. I am continually impressed by the dedication and commitment of our members, and I am proud to be a part of such a remarkable organization.

As we look to the future, I encourage each of you to continue the strive for excellence in all that we do. Let us continue to embody the high principles of Brotherhood, Cheerfulness, and Service. Let us work together to make a difference in this world around us. I look forward to another year of service and great success. Let us take this year to reflect on all the hard work and dedication each of us has poured into this Lodge. Let us keep the ties of brotherhood strong, this year, in continuing the 87th year of service.

Yours in the Spirit of Cheerful Service,

Leland Green

PURPOSE OF THE ORDER

For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long-term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth.

Mission

The mission of the Order of the Arrow is to fulfill its purpose as an integral part of the Boy Scouts of America through positive youth leadership under the guidance of selected capable adults.

Purpose

As Scouting's National Honor Society, our purpose is to:

1. Recognize those who best exemplify the Scout Oath and Law in their daily lives and through that recognition cause others to conduct themselves in a way that warrants similar recognition.
2. Promote camping, responsible outdoor adventure, and environmental stewardship as essential components of every Scout's experience, in the unit, year-round, and in Summer Camp.
3. Develop leaders with the willingness, character, spirit and ability to advance the activities of their units, our Brotherhood, Scouting, and ultimately our nation.
4. Crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

ORGANIZATION AND STRUCTURE

Chapters

If a Lodge has chapters, generally there is one Chapter created in each District of the Council. Each Chapter has its own officers and advisers, the officers being elected by the youth OA members within the Chapter, and the advisers being appointed by the Scout Executive often with the consultation of the Lodge Adviser, Staff Adviser, and District Executive(s).

Chapters provide the ability to have meetings closer to home where meetings and events can be scheduled to coincide with the Sub-District events. The Chapter is central to providing quality unit visits for camping promotion, and unit elections.

Lodge

At the local level, Lodges exist to serve BSA councils and individual units. The key leaders in the Lodge are the youth Lodge Chief, volunteer adult Lodge Adviser, and Staff Adviser. The Lodge Chief presides over the LEC, which is responsible for executing the annual program of the Lodge. While each Lodge is different, many Lodges have one or more vice chiefs, a secretary, and a treasurer, as well as committee chairmen responsible for various aspects of the Lodge's program. Many Lodges, especially large ones where additional structure is necessary, have Chapters. These often align with BSA Districts and execute the program of the Lodge on a community level.

Sections

An Order of the Arrow section consists of Lodges within a geographic area of the region. Each section is led by a Chief, Vice Chief, and Secretary, who play a crucial part in making the annual Conclave a success. The section may lead training seminars, promote national programs of emphasis, and provide resources to local Lodges. The Section Chief presides over the Council of Chiefs, attended by delegates of each member Lodge. Each year the approximately fifty elected Section Chiefs are invited to a national planning meeting in Dallas, TX. The Section Chiefs form the conference committee for a national Order of the Arrow event, such as the National Order of the Arrow Conference (NOAC), which is held under the guidance of the national Order of the Arrow committee.

Regions

The Order of the Arrow, like the Boy Scouts of America, is organized into four geographical regions: Eastern and Gateway. Each region is led by a youth Region Chief, a volunteer Region Chairman, and a Region Staff Adviser. The region leadership helps execute the national program on a more local level, implements the National Leadership Seminar and Developing Youth Leadership Conference, provides its member sections with resources, and facilitates communication between local organizations and the national OA committee.

National

At the national level, the Order of the Arrow is governed by the national OA committee. The national committee sets policy, directs the national program of the Order, and broadly manages the organization above the local lodge level. The committee is composed of the National Chief and National Vice Chief (and their immediate predecessors), who are elected annually at the national planning meeting; the Chairman, who is appointed annually by the Chairman of the national Outdoor Adventures committee; other volunteer members, appointed by the Chairman; and two staff members, the director of the Order of the Arrow and the OA specialist.

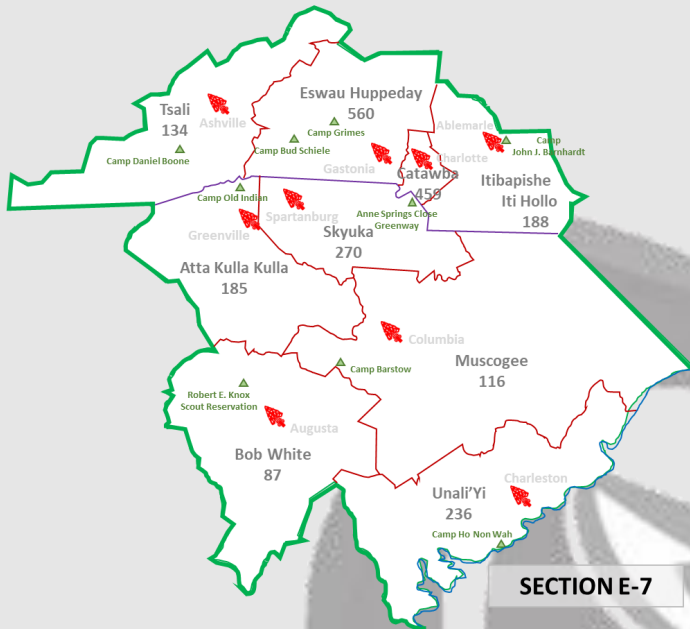

THE BORDERS OF THE LODGE

The Bob White Lodge is located in the Eastern Region and a member of Section E-7 which is comprised of 9 Lodges in Georgia, South Carolina and North Carolina.

The Lodge provides service to 16 counties throughout Georgia and South Carolina. These counties are divided into three Chapters that follow the lines of the Georgia-Carolina Council's Sub-Districts.

Kiokee-River Chapter serves the following counties: Columbia, McDuffie, McCormick, Lincoln, Warren, Wilkes, Glascock and Taliaferro counties.

Creek-River Chapter serves the following counties: Richmond, Emanuel, Jefferson, Burke, and Jenkins counties.

Yamasee Chapter serves the following counties: Aiken, Barnwell, and Edgefield counties.

Arrowmen are able to identify which chapter they belong to based on their Troop's location as the Chapters are aligned with the current Council Sub-Districts.

LODGE LEADERSHIP AND COMMITTEES

The Bob White Lodge is a youth-led organization. Lodge operations are led by the elected and appointed officials of the Lodge Executive Committee. The Lodge Chief oversees the lodge with guidance of the Lodge Adviser and Staff Adviser. The 3 Vice-Chiefs oversee the individual committee responsibilities and planning for programs and events. The Lodge Chief appoints Chairmen and Coordinators for the various committees with the input of the Vice-Chiefs and advisers. The 3 Chapter Chiefs overlook District operations and unit communication, meetings, and relations.

PATH TO BROTHERHOOD

Activation

It is the goal of the OA to activate new Arrowmen within the first 6 months of completing the Ordeal. Activation occurs when a new Arrowman attends one of the Lodges events or activities. This could include a Lodge Fellowship, service project, training or any other Lodge sponsored functions. Activation in the Lodge is simple and information on upcoming Lodge events and activities can be found on the Lodge's webpage at <https://bobwhitelodge87.org/>, the Council's calendar at <https://www.gacacouncil.org/calendar>, or by attending the monthly Chapter meetings and/or Lodge Executive Committee meetings.

Brotherhood

This is the process of sealing your membership in the OA and shows that you have committed yourself to a higher level of service to your fellow Scouts and our community. As an Ordeal member, you completed your entry into the OA. Following your Ordeal, you have returned to your unit bringing with you, your experience to better serve your fellow Scouts. From that point you need to learn about the OA; understand the symbolism of the OA, its purpose and its ceremonies; reflect on your previous experiences, and to prepare for your future in Scouting.

Brotherhood is not solely about service. It is about understanding our purpose in Scouting. It is about learning, growing, leading, supporting and serving. To complete your Brotherhood, you must study the purpose of the OA and then complete your Brotherhood training and conversion. This can be completed 6 months following your Ordeal by participating in and completing your Brotherhood requirements.

During the period immediately following your Ordeal, you will receive an e-mail containing Booklet 7, to help you reflect on your OA purpose. You will also receive a notification and

invitation to the next Fellowship where you can seal your Brotherhood and the ability to register for the event either online at <https://www.gacacouncil.org/calendar> or in the Council office.

Upon completion of your Brotherhood training and accompanying ceremony, you will be better prepared to understand the role that you can provide to the Lodge and your fellow Scouts.

Getting Involved

In the Bob White there are a multitude of programs and events that you can become involved in to further your experience in Scouting. This starts with attending meeting such as your local Chapter meeting, attending Lodge events and activities, to attending Section, Region or National events. In our Lodge we host several events and activities for both our Lodge members and support to other Council programs. This includes: Spring and Fall Fellowship and Inductions weekends, Winter Fellowship, Spring and Summer Tailgates, Camp Service days, Conclave, Lodge Leadership Development, annual banquet (see Activities and Events) as well as supporting our local Cub Scouting programs and the Lodge hosted Spring Camporee.

Arrowmen can also get involved in both service to the community, in leadership positions, and service teams. As the stewards of the camp, the Lodge hosts specified Lodge Camp Service Days at Robert E. Knox Scout Reservation where we provide service and support to our local camp. This helps the Council keep the camp prepared to host Scouting events and units throughout the year. During our Fellowships, the Lodge will also plan and perform 87 minutes of service to ensure that we are continually supporting our camp.

Lodges are structured similarly to BSA units where the youth in the Lodge provide leadership. This means that youth members or the Lodge can be elected into specific positions by the members of the Lodge, appointed into positions to manage specified functions or events, or join teams to enable Lodge activities and events to function properly. Just starting out, most new members will look towards participating as a team member supporting cooking, event management or ceremonies. And for those seeking a higher level of service they can pursue appointed Chairmen positions or seek nomination for election as Chapter, Vice Chief or Lodge Chief positions. Elections for positions occur once a year and are conducted during the Fall Fellowship at the General Lodge Meeting (see the Lodge Bylaws).

Outside of the Lodge there are a variety of programs that Arrowmen can get involved in. This includes various training programs held at the Section, Region or National levels, and OA High Adventure programs held at one of the High Adventure Bases. Information on these programs and eligibility can be found on the Region webpage at <https://oa-bsa.org/eastern> or the National webpage at <https://oa-bsa.org/>.

EVENTS AND ACTIVITIES

Winter Banquet

Our annual winter banquet is our first event of the year! The evening is filled with excitement! Highlights of the program include recognition of outgoing and incoming officers, presentation of awards, reviewing the highlights of the outgoing year, and a first-hand preview of what is coming in the future. Our annual banquet is a great time for fellowship for all lodge members and their families to enjoy.

Cornerstone Conclave

The Cornerstone Conclave is an annual fellowship event hosted by a Lodge within Section E-7 at their local Scout Camp. During the fellowship, members of all nine E-7 Lodges gather to participate in numerous events, competitions and activities. The location for the conclave rotates each year and offers great programs for adult and youth Arrowmen.

National Order of the Arrow Conference

The NOAC is a semi-annual event where thousands of Arrowmen gather to attend the conference at a college university. NOAC 2022 hosted over 5,000 participants at the University of Tennessee where they enjoyed activities such as patch trading, training, AIA competitions, contingent and individual level competitions, adventure center, and many more exciting events!

Lodge Service Award

As an opportunity for Arrowmen to become more involved in the lodge, members have the opportunity to work towards earning the Lodge Service Award. Award requirements include attending yearly lodge functions, volunteering at council events, participating in unit elections, hosting camp promotions, and attending Camp Service Days held each year. This award is available for both youth and adult Arrowmen to earn.

Spring & Fall Fellowships

Our Spring and Fall Fellowships are our two events each year in which we conduct our inductions. This includes both Brotherhood and Ordeal inductions. Along with inductions, we also conduct many events and activities for our Arrowmen who are not involved in either part of the induction process. It is a weekend filled with food, fun, and symbology for all.

Winter Fellowship

At our Lodge's Winter Fellowship, it's a weekend base all around fun, friendship, food, and symbolism. We remind ourselves of the ideals of our order, while also enjoying ourselves with games and other fun and learning activities. These include: bead work, movie nights, lessons on wood carving, and more! Also, during this event Arrowmen are capable of going through the Brotherhood induction process if they have the accurate amount of time and still need to complete it. We also use this fellowship for our Vigil candidates to finish their induction process.

Spring Camporee

During the Spring, our Lodge runs a camporee for the Scout's BSA units to compete in Patrol-level competitions. 2021 was our first year running the event for the Council and we will continue to run the program for quite a while. It contains many fun challenges and many Scout skill-based challenges as well. At the end of the event, one of the patrols will win the Golden Quail statue for them to hold onto until the next Spring Camporee.

Tailgates

The Lodge provides Arrowmen with the opportunity to get active in the Lodge within a month of their Ordeal. This enables all Arrowmen to socialize and have fun while learning more about the Lodge and some of our programs. During the Spring, the tailgate is also used to prepare for the E-7 Conclave to allow our contingent to start forming competitive teams. The Summer tailgate is a time for Arrowmen to have fun prior to returning to the rigors of school while the Fall event provides a means of activation, socialization and fun activities. The point of these events is for our Arrowmen to come out and really enjoy themselves with their fellow brothers.

Council Level Cub Scout Events

Our Lodge also participates in many Council-level Cub Scout events such as: Cub Fun Day, Spook-O-Ree, Webelos-Ree, and more. We help at these events by helping run activities and guide the Cub Scouts to learn and have as much fun as possible. We want to support and nurture the new generation of Scouts in the making by helping in these events and activities.

HISTORY OF THE BOB WHITE LODGE

The oldest Lodge in the Deep South...

It was in 1936 that Chief J. Rucker Newbery would announce that the Order of the Arrow will soon be instituted in the local Augusta Council presided by officials of Tali Tak Taki Lodge 70 from Greensboro, North Carolina. The original Bob White Lodge members were the 1936 camp staff at the local Camp Linwood Hayne, including the first Lodge Chief, Kenneth Forney. While most Lodges in the Order are named for Native American totems, our Lodge received its name from the large inhabitants of Bobwhite quails at Camp Linwood Hayne during this time.

However, the Lodge's name was recorded as two separate words as "bob white" as opposed to the correct spelling of the "Bobwhite" quail. The number 87 comes as we were the 87th Lodge to be created in the Order. However, due to merges in modern times, Lodges are now numbered by the Council they are chartered with, but to this day the Bob White Lodge proudly displays its "87" as a symbol of continuous cheerful service since 1936. From 1936-1939, the Bob White Lodge was a member of Area 6.

The Lodge remained active throughout the late 1930's as staff during the summer camp programs at Camp Linwood Hayne and in the re-building of the roofing structure of the River's Lodge cabin. During its first decade, Bob White Lodge spread membership of the Order of the Arrow by installing several new Lodges throughout the region. On May 17, 1938, the Bob White Lodge installed Tomo-Chi-Chi Lodge 119 in Savannah, Georgia. On August 27, 1938, Bob White Lodge installed Egwa Tawa Dee Lodge 129 in Atlanta, Georgia. Also, in 1938, the Lodge installed Santee Lodge 116 in Florence, South Carolina, and Tsali Lodge 134 in Asheville, North Carolina. Augusta Scout Chief J. Rucker Newbery was active as the Area 6 leader during this time. At this same time, eight Bob White Lodge members became the first Brotherhood Honor members in Area 6, which covered Georgia, Florida, North Carolina, and South Carolina.

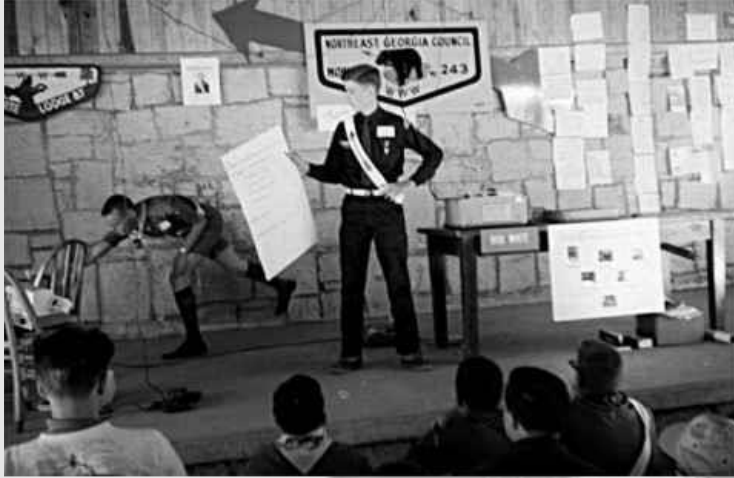

Even in the midst of the Great Depression, the Bob White Lodge remained active, including the OA campout in December of 1940 where Lodge members enjoyed the real treat of fresh steaks at camp. In September 1941, the Annual Banquet and Business meeting was held in Augusta. The out-of-town youth slept in the homes of Augusta Arrowmen because they could not get back home at a decent hour. Also in September 1941, seven youth and 3 adults from the Bob White Lodge attended the Carolina Jubilee in Chapel Hill, NC. In October 1941, the Bob White Lodge sponsored a Camp Linwood Hayne Camporee.

With the United States entry in World War II, news of the Bob White Lodge diminished. Many Arrowmen were mentioned in the Augusta Chronicle in various efforts with their Troops supporting the war effort. Kirby Hoyt made models of enemy aircraft to train soldiers in identification. Despite the wartime limitations, the Bob White Lodge still did its part to promote the OA. On July 24, 1942, the Bob White Lodge installed Muscogee Lodge #221, Columbia, SC. The Bob White Lodge lost its founder on February 20, 1943, when J. Rucker Newbery became the Scout Executive in Charleston, SC. By May 1943, Newbery had started his second Lodge with the installation of Unali'yi Lodge # 236 in Charleston, SC. On October 17, 1945, the Bob White Lodge installed the Ini-To-Lodge #324, Flint River Council, Georgia. The Lodge remained active in area meetings each year. In 1949, former Bob White Lodge Chief Robert Humphries was elected the Area Chief for Area Z.

Due to the growth in the number of Lodges since 1936, the OA was frequently reorganized into areas. In 1940 to 1941, the Bob White Lodge was part of Area H which included Florida, Georgia, North Carolina, and South Carolina. By 1942-1944, the Bob White Lodge was in Area J which included Florida, Georgia, and South Carolina due to the expansion of the number of Lodges. By 1944, Area Z was created from Area J which included most of north and central Georgia and most of South Carolina. Area Z was in existence until 1949. In 1949, the OA was organized into 12 regions which mirrored the national regions. The Bob White Lodge was placed in Region 6, Sub-Region C.

In the 1960's, the Bob White Lodge remained active in providing service to the Council and to the Camp. In October 1960, it hosted the Scout Olympics at the Highway 56 Camp Linwood

Hayne. In 1960, the Lodge gave its first "Arrowman Award" to Charles Blackwell. In 1961, Lodge Chief Jeff Howard was elected the Area 6-C Chief. Most spectacular, the Lodge hosted the Area 6-C Section Conclave in 1965 and 1968 at the Highway 56 Camp Linwood Hayne. To close out the 1960's, the Bob White Lodge moved the River's Lodge from the Boy Scout Road Camp Linwood Hayne to Highway 56 Camp Linwood Hayne to save it from destruction.

In the 1970's, the Bob White Lodge remained exceptionally active. In 1973, it helped Augusta celebrate its 35th Anniversary with the Bob White Dancers as part of the program. It continued work on roofing the moved River's Lodge with a dedication occurring in 1973. In 1974, the Dancers performed weekly at the Augusta library. In 1978, the Bob White Lodge hosted an American Indian Powwow. It hosted the 1979 Area 6-C Area Section Conclave at the Highway 56 Camp Linwood Hayne. In 1973 and 1977, the Bob White Lodge was a National Standard Lodge.

In 1972, the Areas were realigned with the Bob White Lodge leaving Area 6- C joining the Lodges of Georgia to form Area 5 with Sub regions A and B. Area 5 held a single conclave for the entire Region. Lodge members L. Henry Turner and David Surret became Area Chiefs.

Turner was elected in 1974 and 1975 and Surret in Area 5.

In 1977, the Bob White Lodge instituted the prestigious "J. Rucker Newbery Award." It is presented annually to a maximum of one youth and one adult. In the first year, three youth were selected. They were Jimmy Geer, Wally Shealy, and David Surret. Three adults were also selected. These were Calvin Benson, Jim Newman, and Paul Whittle. The J. Rucker

Newbery Award was hand crafted by Arthur Croll from 1977 until he passed in December 2010 at 95 years of age. By tradition, the last year's recipient passes the handcrafted "Croll original" J. Rucker Newbery Award to the new recipient, youth to youth, adult to adult. The last year's recipient then receives the "new" J. Rucker Newbery Award as his permanent award. In 1979, the Lodge also instituted its "Arrowman of the Year" Award by conferring it on Robbie Valentine.

As before, the Bob White Lodge continued being active the 1980's. In 1982, 1983, 1984, 1985, the Bob White Lodge hosted a fun day for children with disabilities at the Highway 56 Camp Linwood Hayne. It co-sponsored a Native American Affairs Seminar on 1984. At NOAC in 1981, the National Order of the Arrow created the First Founder's "Spirit of Achievement Award." In December 1981, J. Paul Whittle was named as the Bob White Lodge's first recipient of this prestigious award.

In 1986, the Bob White Lodge was proud to host Dixie for the first time and in the Lodge's 50th anniversary year. The 1986 Dixie Fellowship was held at the Highway 56 Camp Linwood Hayne. Chip Grant served as the Section Vice-Chief of the Dixie Fellowship, and Robert Boquist was Lodge Chief at the time.

The Gu Que Dancers, the Lodge's dance team as it was called by a Cherokee name at that time, placed 3rd at the 1987 Dixie and second at the 1989 Dixie. At the 1989 Dixie, Bob White tied Skyuka Lodge for 1st place in the Quest for the Golden Arrow. Skyuka was declared the winner of the Golden Arrow after winning a tiebreaker pull-off tug of war.

In 1989, our Lodge made changes in the Lodge program, and improvements in Lodge Administration. The committee structure was redone to better suit the current needs of the Lodge. The Lodge also began to incorporate fun activities into its Ordeal weekends, including the annual egg toss contest, the

whirlybird Olympics, and an adult vs. youth tug of war contest. This event became better known as “Funk on the Field”. In 1989, the Lodge earned the distinction of National Honor Lodge.

In 1982, the Areas were again realigned with the Bob White Lodge rejoining their South Carolina brethren from old Area Z in SE5, where Dixie had been held since 1952.

Again, the Bob White Lodge remained active throughout the 1990's. In 1990, the Lodge hosted an Indian Affairs Conference at the Highway 56 Camp Linwood Hayne. At the 1992, NOAC Scott McKie, in his last Dance Competition as a youth, placed second in the National Fancy Dance Competition. In 1994, Bob White Lodge hosted the Dixie Fellowship at the Highway 56 Camp Linwood Hayne. Also in 1994, the Bob White Lodge received a grant was received to construct a shelter for the new C.O.P.E. Course. In 1997, the Bob White Lodge earned Lodge of the year distinction in a four-way tie at Dixie. It earned Section Honor Lodge in 1997 and 1998. It was a Quality Lodge in 1993, 1996, 1997 and 1998. Three-time Bob White Lodge Chief Jay Widby was elected Section Chief in 1999. In 1999, the Bob White Lodge was one of four Lodges in the Southeast to earn a National recognition for its One Day of Service Award. The award was presented because the Bob White Lodge's community service man hours exceeded the Lodge membership. In 1993, SE-5 became SR-5 with two more Georgia Lodges joining SR-5.

In the 2000's, the Bob White Lodge continued its seventh decade of active service. The Lodge sent a large contingent to NOAC in 2000. In 2001, the Bob White Lodge voted to authorize District Chapters, with each District working to further enhance our Lodge. The Lodge began to focus more on Council and District service.

In 2002, the Lodge inducted over 120 Ordeal members, 94 at the Spring Ordeal alone. At the 2002 NOAC, Jay Widby received the Order of the Arrow Distinguished Service Award. While

several former Lodge members of the Bob White Lodge (J. Rucker Newbery, Larry Warlick, Dr Ken Davis, David Surrent) have received this award, Jay was the first one to receive it while a current member of our Lodge. In 2003, the Lodge instituted its “Spirit Award” by conferring the Spirit Stick on Todd Garcia.

In the Spring of 2004, the first Ordeal was held at the Robert E. Knox Scout Reservation. Lodge member Pete Cato was elected Vice Chief of the Section at the 2004 Dixie Fellowship.

In 2006, the Lodge hosted Dixie at the newly developed Robert E. Knox Scout Reservation. The Lodge was instrumental in providing the manpower to clear campsites, fields, and have the camp ready for Dixie and Knox's first Summer Camp in 2006. In 2009, Patrick Garcia was elected Section Secretary. In 2009, Arrowmen furnished the bulk of the civilian labor to put on the 3,000- person Jimmie Dyess Days Camporee. The Lodge laid out campsites, acted as troop guides, and operated its Store/Information booth at the Bob White Lodge tipi.

The strength of the Lodge was easily seen in the awards it earned. It was a Quality Lodge in 2002, 2003, 2004, 2005, 2006, 2008 and 2009. It was a Section Honor Lodge in 2003, 2004, 2005, 2006, 2007 and 2009. It won the Spirit Award at Dixie in 2005 and 2007. It won the Knowledge and Training Award at Dixie in 2008. It earned first place in Newsletter in 2009. It earned a national award for the 2007 Scoutreach program. It sent Kent Plunkett, Keith Jones, and Bill Charters to the ArrowCorps5 project. The Lodge sent 15 Arrowmen, youth and adults to the 2004 NOAC at Iowa State, 19 youth and adults to the 2006 NOAC at Michigan State, and 11 youth and adults to the 2009 NOAC at Indiana University. At the 2009 NOAC, SR-5 demonstrated the most unity and loudest pride in the nation. The Section Officers and Lodge Chiefs staged their Cheerwine chugging contest before rocking the last show.

In the 2010's, the Lodge continued its excellent record of service in its eighth decade. It was a Quality Lodge in 2010 and 2011. It was a Section Honor Lodge in 2010, 2011 and 2012, and earned the Journey to Excellence Gold Award standard in the first year of the Award Program. In 2010, Patrick Garcia was re-elected as Section Secretary.

In 2011, the Bob White Lodge sent a full contingent to the Summit Corps to build 28,000 feet of bike trails for the National Park Service adjacent to the Bechtel Summit Reserve. On December 30, 2010, the Bob White Lodge received a National Service Grant to move the River's Lodge, its 1813 hand hewn log cabin, from the Highway 56 Camp Linwood Hayne to the Robert E. Knox Scout Reservation. By October 2011, the River's Lodge was moved with a month to spare from the deadline in the grant. In 2012, the Lodge received its first E. Urner Goodman Camping Award for camp promotion.

In 2012, Arrowmen again furnished the bulk of the civilian labor to put on the 3,000-person Jimmie Dyess Days Camporee. The Lodge laid out campsites, acted as troop guides, and

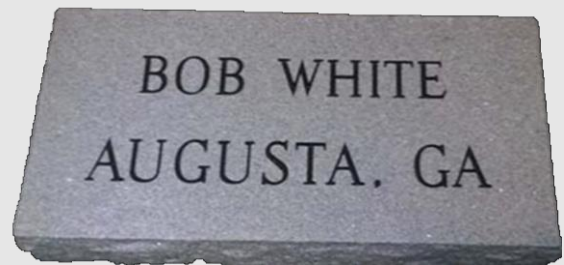

operated its Store/Information booth at the Bob White Lodge tipi. The Lodge sent 14 Arrowmen, youth and adults, to the 2012 NOAC at Michigan State. Again, SR-5 demonstrated the most unity and loudest pride in the nation. The Section Officers and Lodge Chiefs staged their Cheerwine chugging contest before rocking the last show. To close out 2012 and as part of the OA's centenary celebration, the Bob White Lodge provided a Legacy Rock to be installed in Brotherhood fireplace at the Bechtel Summit Reserve. The Legacy Rock was made from Georgia granite from our area. It was 22.5 inches by 10 inches by 4.5 inches with "Bob White, Augusta, Ga" carved into the face of the rock. It weighed 85 pounds. The rocks were delivered to the OA National Chairman Ray Capp's home in Nashville, Tennessee. The Lodges were encouraged to use a rock representative of their area. Ultimately, the rocks were used at a fireplace at the Summit Bechtel Reserve. The Bob White Lodge was the first in SR5 to do so.

In 2013, Steve Kerr became the Lodge Adviser. Bob White had a great representation on staff at the 2013 National Jamboree, the first held at the Bechtel Summit Reserve in West Virginia. The Lodge also set a contingent of two to National Lodge Adviser's Training Seminar and three to the National Leadership Seminar. The Lodge continued its service to the Council through events including University of Scouting and Merit Badge University.

The Order of the Arrow announced its theme of a Centuries of Service. To honor that commitment, the Bob White Lodge set out on a three-year task mission of service and celebration. The Lodge completed the task of putting a roof on the cabin. In May of 2014, the Key 3 launched an initiative aimed at Arrowmen service at district and council events. Arrowmen left an impact at events including Cub Fun Day, Cub Day Camp, two-thirds of Summer Camp staff, assisting in moving the Service Center, Council Camporee, among other events with the Lodge giving almost 5,000 hours of service in 2014. The Fall Ordeal saw unprecedented numbers in attendance due to improved communication. The Lodge hosted its first Lodge Leadership Development by national standards in years and followed up with a second one in the fall.

Through its hard work, the Lodge obtained Journey to Excellence Gold for 2014 and 2015. The Lodge had the privilege in January of 2015 to have one of our largest banquets in recent years with former Augusta Mayor Bob Young and 2015 Southern Region Chief, Alex Leach as guest speakers. At the 2015 Dixie Fellowship, Lodge Chief Reed Powell was elected SR-5 Section Chief. The Lodge sent a contingent of 19 to the 2015 National Order of the Arrow Conference at Michigan State as well as three Arrowmen on staff. The Lodge recognized six Lodge leaders as Centurions for their service over a period of years to the Bob White Lodge. These Arrowmen include Gregory Francisco, J. Rucker Newbery, Gregory Sewell, David Surret, Jay Widby, and Paul Whittle.

To open up the 2016-year, Bob White Lodge hosted the Dixie Fellowship at the Robert E. Knox Scout Reservation with over 1,000 Arrowmen from SR-5 in attendance. 2016 was a big year for the Lodge as we also celebrated our 80th anniversary with the theme “Service before Self” and produced a special anniversary flap in recognition of the first flap of the Lodge.

In more recent years, Bob White Lodge has had ceremonialists place in the top 3 ranks at the 2017 and 2018 Dixie Fellowships along with a Brotherhood team placing in the 2018 Dixie competitions. While at the 2017 Dixie Fellowship, Bob White Ceremonies Chairman, Robert Bolton, was elected to serve as the 2017-2018 SR-5 Section Secretary. After the 2018 Dixie Fellowship, the Lodge began to plan the final logistics of the National Order of the Arrow Conference at Indiana University. Bob White Lodge sent a small contingent and 3 members to serve on Staff for the conference, as well as 11 Arrowmen to the Conference.

Following NOAC 2018, the Lodge prepared for the induction of female Arrowmen in February of 2019 as well as electing new members from Venturing BSA Crews and Sea Scout Ships! In March of 2019, the Bob White Lodge introduced and approved the production of a new Standard Lodge Flap, known as the S81, which has officially replaced the S14 as the new symbol of the Bob White Lodge.

Kicking off the new decade, the Bob White Lodge continued its dedication to programs, induction, and service, despite the issues presented by the COVID-19 Pandemic. In January 2020, the Bob White Lodge executed its Winter Banquet hosting more than 90 members and guests. The Lodge continued to execute its programs conducting both Spring and Fall Fellowship and Inductions weekends ensuring the stability and growth of Lodge membership and fostering induction of new Arrowmen in the Order of the Arrow. During the Fall Fellowship in September of 2020, Parker Powell was elected as the Bob White Lodge Chief leading our Lodge in Brotherhood, Cheerfulness and Service in the Augusta area. In October 2020, we conducted a virtual Lodge Leadership Seminar in keeping with safe conduct and COVID guidance. Finally,

in December 2020 to close out the year we completed our annual Winter Fellowship, which included both a Brotherhood conversion and Vigil honor. During the Winter Fellowship members were introduced to bead work skills and encouraged to participate in American Indian Affairs programs

In January of 2021, the Lodge Key 4 set out to inject the Lodge into Council-level Scouting programs for youth in the Council. This was kicked off by the Lodge hosting the Georgia-Carolina Spring Camporee with the theme based on the “Amazing Race” in an event called “The Race for the Golden Quail.” More than 110 Scouts representing 18 Patrols from 10 Troops participated in this unique event combining Scout skills, team building, communication, leadership and fun.

This is now an annual event that will be hosted by the Lodge where Patrols not only compete in individually scored Scout skills events, but also for the coveted “Golden Quail” trophy. The camporee was followed quickly with the Spring Fellowship and Inductions weekend. This event not only focused on Ordeal for our new members, but also introduced members to woodcarving, dance and drum, as well as quest games in preparation for the 2021 Cornerstone Conclave. At Conclave our Bob White Lodge ceremonies teams took top honors for both individual and team performances in both the Pre-Ordeal and Brotherhood Ceremonies. Rylee Furby took best dancer in the men’s Grass Dance competition, and the Lodge took first place in several Quest events. Continuing through the year, in May 2021 the Lodge provided service to the Cub Scout “Cub Fun Day” program with the “Quail Run” obstacle course and injecting a little taste of “Order of the Arrow” fun and presence at the event. During June, Bob White members provided service as Summer Camp Staff at Robert E. Knox Scout Reservation. In September, the Lodge carried out its Fall Fellowship and Inductions weekend welcoming 30 new Arrowmen through Ordeal and the conversion of 15 Arrowmen to Brotherhood. Also, during the Fall, Lodge members supported both the annual Cub Scouting Spookoree and Webelosree events by supporting field activities, campfires programs and the first ever OA Haunted House. We rounded out the year with our annual Lodge Leadership Development program in October followed by our Winter Fellowship event in December.

It looks to be an exciting year in 2022 for the Bob White Lodge as we will host our second annual “The Race for the Golden Quail” in the Spring, as well as sending contingents to both the E-7 Cornerstone Conclave at John J. Barnhardt in New London, N.C., and the 2022 National Order of the Arrow Conference being held at the University of Tennessee in Knoxville, TN. In an effort to improve the Lodge, our activities, and service to our Arrowmen, we are looking to improve in American Indian Affairs by investing in both drum and dance teams. And finally, during 2022 we will be hosting several events such as our Spring and Fall Fellowships and Inductions weekends, both Summer and Winter Fellowship events, camp service days, staffing events supporting local Cub Scouting programs, and our annual Lodge Leadership Development.
